*Proceedings of the Madras Government, Public Works Department,
21st March 1876.*

No. 327. Read the following letter from Colonel F. J. MOBERLY, R.E., Superintending Engineer, Chingleput, to Major-General G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Mount, 10th March 1876, No. 4,837 :—

I HAVE the honor to report that there appears great doubt whether we can disburse, within the current year, Rupees 2,347 from the amount sanctioned for the arrangements at the Mount to test powder; see G.O., No. 3,154, dated 5th November 1875, for Rupees 9,690.

2. Only Rupees 5,000 have been allotted, but I was sanguine that we could get the work done.

3. Our difficulty has however arisen in procuring iron 2 inches thick and large enough to cover 65 feet 8 inches long by 2 feet wide.

4. We have been obliged to take this in three widths and have now to get holes drilled, &c., and probably cannot get the accounts prepared before the expiration of the current year.

Vide Statement of Demands, dated 28th February 1876.

5. Against this saving, if it be such, I beg to point out a demand for compensation for land amounting to Rupees 1,008.

No. 328. ORDER THEREON, 21st March 1876, No. 724.

MILITARY WORKS, No. 10.

RECORDED.

2. The compensation for land is chargeable against the Military Estimates.

(True Extract.)

Major-General, R.E.,
Secretary to Government.

To the District Engineer, Chingleput.
„ Examiner of Public Works Accounts.
„ Military Department.
