*Proceedings of the Madras Government, Public Works Department,
23rd March 1876.*

No. 351. Read the following letter from Lieutenant-Colonel C. S. HEARN, Inspector-General of Police, to Major-General G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Madras, 4th March 1876, No. 1,030 :—

In submitting the accompanying correspondence number and date as per margin,

1. Letter, No. 795, dated 21st December 1875, from the Superintendent of Police, Chingleput District, I have the honor to request sanction of Government for payment of Rupees 200 as compensation for land occupied by the Station-house at Conjeveram, Chingleput District.
2. Copy of Superintendent's letter, No. 436, dated 22nd July 1874, to the Collector.
3. Letter, No. 380, dated 14th December 1875, from the Acting Collector, to the Superintendent of Police, Chingleput District.

2. The building in question was originally constructed by departmental arrangement from funds provided by the Municipality, and was subsequently transferred to Government. A sum of Rupees 500 was paid under Orders of Government, dated 2nd July 1873, No. 1,711, Public Works Department, for the building.

3. It appears that the site for the Station-house was pointed out by the Revenue Department under a mistaken impression that it was Government property, but the land has since been discovered to be *private* property, one Appasawmy being the owner, who claims compensation of Rupees 200 for it. The extent of site is two cawnies, and the payment of the amount is recommended by the Acting Collector.

4. To meet above charge, if approved by Government, I beg *early* sanction of Government for a transfer of Rupees 200 from the Department of Public Works Budget grant of Cuddapah for 1875-76 to the Chingleput District. The Superintendent of Police of the former district has reported that a sum of Rupees 360 is available for transfer. The balance, Rupees 160, will be utilized elsewhere if required.

No. 352.

ORDER THEREON, 23rd March 1876, No. 737.

ACCOUNT, No. 15.

THE transfer of Rupees 200 from the Cuddapah to the Chingleput District, as proposed by the Inspector-General of Police, is sanctioned.

C.R. No 1030 of 4 Mar 1876

The funds nominally available for transfers are not really so, as the expenditure on Provincial Public Works has exceeded the allotments.

Payment cannot therefore be authorized till the Inspector General of Police is prepared to recommend a transfer of funds from the allotment for Police Buildings in 1876-77. Meanwhile a site plan should be obtained and submitted by him, showing both the ground to be taken up and

who has understood this how long the amount allotted to the Police Buildings (the Police Buildings) has exceeded the allotments.

The particular sum in question has not been spent. The sum is intended for transfers to cover other projects made in anticipation of savings.

This does not meet my question as I am to meet Genl. Walker at Fort House at 12 on Friday perhaps he will

and that to be returned
by the claimant; and the
subject generally will be
referred to the Judicial
and Revenue Departments
for any notice that may
be considered necessary.

SIR,

With reference to the accompa-
nying letter from the Acting Collector of
this District No. 380 Dated 14th December 1875.
I have the honor to request you will be
good enough to inform me, if you can
provide funds to meet the demand therein
made, if not, I request that the amount
may be entered in my Buildings -
Scheme for 1876-77.

I annex for information, a
copy of Major Cauliff's letter on the
subject.

was not completed till 1873, and during
that time certain objections were made
specifically by petitioner which were referred
by me to the Tahildar, who assured
me the man had no claim, and there
was no objection to the building.
In 1874 Government decided
to repay to Municipalities the cost of
Public Buildings, and that the Station House
thus partly built was Municipal
property to that time. I have further
to observe that petitioner appears to have
been told by the then Tahildar in 1872
that the Dymach Mogaulla was not
signed and the Dymach Adminal
not to be found, and though not acquaint-
ed with the then Tahildar, I conclude
they were necessary to prove his claim,
and I to understand now that these
as well as the registry of a deed of sale
in 1870 are all correct.

The Tahildar's enquiry
and the Sub-Collector's comments.
See

seem rather one sided, as I was
present with them in Conjeveram
in May and June (the matter having
been referred to the Tahildar in
April) and neither I nor my
subordinates heard one word of
the enquiry.

In conclusion I have
the honor to request that if it be
finally decided that Government
must pay for the ground, I may
be informed as soon as possible so
as to include the sum in my building
scheme for next year.

SIR,

According to the correspondence
noted in the margin, I have the honor
to inform you that it is clear from
the inquiries made that the site on
which the Police Station at Little
Kanchi was built is not Government
property. The Tahsildar must have
mistaken the site for Government
property when he made it over to
the Police in 1869.
