*Proceedings of the Madras Government, Public Works Department,
23rd March 1876.*

Read the following papers:—

No. 359. From T. D. HARRIS, Esq., Officiating District Engineer, Malabar, to Major-General G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Calicut, 24th February 1876, No. 192:—

THE Acting Special Executive Engineer of Wynaad submitted to the Superintendent of Police a plan and estimate for Rupees 860 for converting the Police Station and Inspector's quarters at Goodalore into a residence for the Inspector only. The Inspector-General of Police in his letter to the Superintendent of Police, Malabar, No. 658, dated 10th instant, copy of which is enclosed for the information of Government, states that as the building is no longer a Police one, having been transferred to the Public Works Department by G.O., No. 1,523, dated 1st June 1875, the approval of that functionary is not necessary. I therefore submit the plan and estimate for sanction if it meets with the approval of Government; I may add that a sum of Rupees 860 is provided for this work in G.O., No. 3,610, dated 24th December 1875.

No. 359-A. MINUTE BY THE HONORABLE SIR W. ROBINSON, K.C.S.I.

I CANNOT assent to this draft as it stands. Police buildings constitute one of the first charges on the Provincial assignment of funds to the Department Public Works and we must not cut it down if possible.

2. In the accompanying memorandum is shown the annual allotments since 1861-62. It appears that in 1875-76 the Lodging Fund, which is constituted by deduction from the men's pay for the repair of their dwelling, was drawn on to the extent of Rupees 44,963, and a further draft of Rupees 30,000 is proposed for 1876-77.

3. Colonel Hearn writes, "in 1876-77 we proposed to spend a sum of Rupees 30,000 as usual from Lodging Fund, Rupees 21,000 in necessary repairs of huts and Rupees 9,000 for casual new works, such as huts in hill tracts, &c. This was *distinct* from the usual Public Works Department Budget grant, and the Government agreed to this.—*Vide* G.O., No. 2,425, of 11th December 1875, Financial Department. But in G.O., No. 3,610, dated 24th December 1875, Public Works Department, this has been misconstrued, and it was assumed that the sum of Rupees 30,000 was to form part of the sums —

For New Works	...	...	...	...	...	...	...	Rs. 61,500
Repairs of Stations	...	...	...	...	...	...	...	" 18,500
								" 80,000

estimated for by us as required from the Public Works Department. Accordingly the Public Works Department provided Rupees 52,822 out of 61,500, being the amount for buildings to be constructed by that department, leaving Rupees 8,678 for works to be constructed by Police Department and Rupees 18,500 for Station-house repairs, to be provided out of the Rupees 30,000 intended for quite a different purpose. The Lodging Fund has nothing to do with Station-houses, and we should thus have only Rupees 2,822 left for repairs of huts in which the men live. When this mistake was pointed out, G.O., 549 of 28th February, Public Works Department, was passed, which amounts to this, viz., that the usual Public Works Department Budget grant *must* be reduced, and that the balance must be found (if at all) in some other way. This

matter is again under reference.—See my letter No. 1,023, of the 4th March, to Secretary to Government, Public Works Department, as yet unreplied to. Meanwhile we have no money for the absolutely essential repairs of *huts*, the primary purpose of the Lodging Fund which is now nearly bankrupt. It is a great pity that it has been so heavily drawn upon of late for purposes outside of its real intention.”

4. The latter part of the draft seems to threaten to cut down the Police share still further, while as it appears the Government are *in debt* to the Lodging Fund, a debt which should be repaid.

17th March 1876.

W. ROBINSON.

ORDER THEREON, 23rd March 1876, No. 741.

CIVIL WORKS, No. 33.

(a) *Heads of Service.*—Provincial.
Fund.—Ordinary.
Class.—Original Works.
Main-head.—Civil Buildings.
Sub-head.—Police Department, Miscellaneous.
Name of Work.—Improvements to Inspector's quarters at Goodalore.
Amount.—Rupees 860.
To be carried out by the Public Works Department.

THE estimate of Rupees 860 for improvements to the Police Inspector's quarters at Goodalore is sanctioned. But it will not be carried out until funds can be specially assigned to it, the Public Works Department keeping the building in repair meanwhile from the General Repair Funds at its disposal. The entry

of the amount in G.O., No. 3,610, of 24th December 1875, will be cancelled.

2. This sanction has been registered as Provincial, No. 31 W. of 1875-76.

The Superintendent of Police
Malabar

Sir,
With reference to your letter
noted in the margin and to previous
correspondence I have the honor to
point out that the building is no
longer a Police Building, having been
transferred as stated in G. O. No.
1523 of 1st June 1875. P. H. D.

2. Such being the case all repairs
must be carried out by P. H. D. from
the funds allotted to it, rent being re-
covered from the Inspector at such
rate as is laid down.

3. Plan and Estimate are returned.
The approval of the Inspector General
is not required as the building does not
belong to this Department. The entry
of funds in scheme should not have been
made and application will be made
to Government to appropriate the money
elsewhere if not required for any other
purpose in the District.
