*Proceedings of the Madras Government, Public Works Department,
14th January 1876.*

Read the following letters :—

No. 144. From Captain J. L. L. MORANT, R.E., District Engineer, Nilgiris, to Major-General G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Ootacamund, 2nd December 1875, No. 385.

I BEG to invite attention to Public Works G.O., No. 1,638, of the 10th June 1875. With this order in view I purchased warm clothing for my lascars to the amount of Rupees 25, there being a large balance out of contingencies. The Controller objects to this charge as follows :—

“ Passed provisionally pending sanction by the Secretary to Government, Public Works Department, for the admission of the charge.”

2. As the same necessity for admitting this charge exists now as it did in previous years, I have the honor to solicit the favor of its being passed.

No. 144-A. From the same officer, dated Ootacamund, 16th December 1875, No. 422.

IN reply to your memorandum, No. 818, of the 7th instant, I have the honor to submit the estimate therein called for of the annual cost of clothing required for the use of my office lascars. With reference to the latter part of the above, I beg to inform you that the last purchase of warm clothing was made in the month of June 1874.

No. 144-B. From the same officer, dated Ootacamund, 28th December 1875, No. 448.

WITH reference to your memorandum, No. 903, of the 22nd instant, from the Deputy Chief Engineer, I have the honor to submit the explanation required, and beg to express apologies for my previous statement being somewhat obscure. The Rupees 22-8-0 sanctioned in G.O., No. 1,638, of the 10th June 1875, were incurred in March 1875 for clothing supplied in June 1874, the tailor not having presented his bill sooner for payment. This expenditure would have appeared in last year's accounts had not the Controller ordered it to be carried forward into the current year's accounts until sanctioned by Government. Warm clothing was again supplied in October 1875 to the amount of Rupees 25; more than a year subsequent to the previous issue. This latter sum was referred to you on the 2nd December 1875. It is thus that Rupees 47-8-0 appear as expenditure in the current year's accounts, though Rupees 22-8-0 of this sum were actually expended in 1874-75. You will thus I hope see that the annual estimate for warm clothing I last submitted to you amounting to Rupees 30 accords with experience and will suffice.

No. 145.

ORDER THEREON, 14th January 1876, No. 74.

ACCOUNT, No. 8.

UNDER the explanation afforded, His Excellency the Governor in Council passes the bill for Rupees 25; and

*Proceedings of the Madras Government, Public Works Department,

authorizes the future supply of warm clothing for the lascars attached to the Nilgiri District Engineer's office at an annual cost not exceeding Rupees 25, to be provided from his contingent allowance. Provision of belts will be made under other orders on that subject.
