*Proceedings of the Madras Government, Public Works Department,
27th March 1876.*

No. 388. Read the following letter from Lieutenant-Colonel R. F. OAKES, R.E.,
Superintending Engineer, Tanjore, to Major-General G. W. WALKER, R.E.,
Secretary to Government, Public Works Department, dated Tanjore, 9th
March 1876, No. 385 :—

I HAVE the honor to inform you that I have requested Mr. Assistant Engineer
Paul to complete the Coleroon Survey for
List of disallowances. which Rupees 250 were sanctioned in
G.O., No. 955, dated 10th April 1875, and as his Draughtsman was formerly
employed on the Coleroon Survey as a Surveyor, and much time would be saved if
somebody were employed in filling in details while Mr. Paul traversed the main lines,
and as the Draughtsman would have no work as draughtsman at first, I directed that
he might be employed as a Surveyor to fill in details, and while so employed passed
Rupees 10 in addition to his pay (Rupees 40) as draughtsman from the allotment of
Rupees 250 for the survey.

2. The Examiner of Public Works Accounts states that this arrangement must
receive the sanction of Government, which I accordingly solicit.

No. 389. ORDER THEREON, 27th March 1876, No. 755.

ESTABLISHMENT, No. 24.

THE arrangement reported by the
Superintending Engineer, Tanjore, is
approved.
