Proceedings of the Madras Government, Public Works Department,
27th March 1876.

No. 390. Read the following letter from Lieutenant-Colonel J. H. M. SHAW-STEWART, R.E., Consulting Engineer for Railways, to Major-General G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Madras, 13th March 1876, No. 122 :—

With reference to the Proceedings of Government, No. 394, dated 14th February 1876, I have the honor to inform you that I learn from the Agent of the Madras Railway that he will be prepared, on behalf of the Company, to conform to the practice which prevails on other Guaranteed Railways with respect to the charge for the conveyance of the baggage of troops, and the extra chargers of officers.

2. Mr. Elwin, however, observes that as the practice obtaining on the other Railways in respect of the above two points has not been defined, and as without a very clear ruling difficulties in the settlement of accounts will probably arise with the Examiner of Commissariat Accounts, it appears to him necessary that what that practice is to be should be clearly stated.

3. With reference thereto, I request that the rules obtaining in the other Railways may be forwarded to this office, for communication to the Railway authorities in this Presidency.
