*Proceedings of the Madras Government, Public Works Department,
27th March 1876.*

No. 399. Read the following Proceedings of the Board of Revenue, dated 9th March 1876, Miscellaneous No. 2,125:—

From H. SEWELL, Esq., Acting Collector of Trichinopoly, to C. A. GALTON, Esq., Acting Secretary to the Board of Revenue, dated Trichinopoly, 12th February 1876, No. 25.

I HAVE the honor to submit the usual annual statements showing the number of Irrigation Works requiring repair, the revenue dependent thereon, the highest cultivation under each work within the last five years, the amount expended on the work in the previous five years, and the amount proposed to be expended thereon during the official year 1876-77.

2. The Board will observe that the amount proposed for the repair equals 19 per cent. of the revenue dependent on the irrigation works needing repair. But it is unavoidable because of the present state of some of those works. The Tahsildars have been written to on the subject, and they assert that the repairs cannot be done below the amount they have fixed for each work. The necessity for the estimate exceeding 10 per cent. of the revenue is explained in each case.

SUBMITTED to Government in continuation of the Board's Proceedings, dated 6th January 1876, No. 24.

2. In column 5 of the statement for the Udaiyarpolliem and in column 8 of that for the Museri taluq the totals are given as Rupees 10,932-1-0 and Rupees 32,637, respectively, while, according to the details, the correct amounts are Rupees 10,432-1-0 and Rupees 32,652. The Collector is requested to see that similar errors do not recur.
