‡ Irrigation Budget for 1875-76, Item No. 21.

G.O., dated 7th December 1875, No. 3,455, to the Nellore tank surplus weir, which is not a work so emergently required, and I request that Government will be pleased to sanction the arrangement I have made.

Major General G. W. Walker, R.E.

Sir,

I have the honor to report that

N<sup>o</sup> 153 of 9<sup>th</sup> March  
1876.

Lieutenant Henderson R.E. has applied  
for an emergent grant of Rs. 5,000, for

\* Estimate Rs. 15,615.

Sanctioned in G.O. No. 1738 of 19<sup>th</sup> June 1875.

Expenditure in 1874-75. Rs. 21,467-3-6.

Allotted in Current Year,

G.O. No. 2109 of 26<sup>th</sup> July 1875. Rs. 9,000.

G.O. No. 362 of 27<sup>th</sup> December 1875. Rs. 12,000.

Now applied for. Rs. 5,000.

Probable expenditure ~~during~~ 1875-76. Rs. 10,000.

do to end of 1875-76. Rs. 1,29,473-6.

Expenditure,  
in the  
current year,  
on the Annual  
Ancient  
Extension.

in addition to the amount already allotted  
to the work.

As Government may not be able, at this  
late period of the year, to allot the addition-  
al sum now required, I have, in

anticipation of sanction, transferred Rs. 2000  
to the Amrit Extension, from the amount  
(Rs. 5000) allotted in G.O. dated 7<sup>th</sup> December 1875, No. 3455, to the Salween Tank Surplus  
weir, which is not a work so emergently  
required, and I request that Government  
will be pleased to sanction the arrangement,  
I have made.

This arrangement will, I think, remove  
any difficulty that might arise, at  
the Amrit works for want of money,  
and it will not necessarily delay  
the progress of the Salween weir, but if  
the amount (Rs. 5000) applied for  
by Lieutenant Henderson specially for  
the Amrit Extension is available, it can  
be laid out to advantage, and I  
request that it may be placed at my

disposal, as soon as possible.

I have the honor to be,  
Sir,  
Your Most Obedient Servant,  
W. Humphreys,  
District Engineer.
