C.E. No 386 of 1876.

From,
Government of India
No 80 A.S. - 18 February 1876.
Recd 11 March 1876.
Regarding delay in com-
-municating to the Controller
of M.A. orders in P.M.S. letter
No 108 A.S. of 22 March/75.
1st Off. H. & J.
How is this delay in account
from the Office.
A. G. S.
7-3-76

It is observed that in these
Orders. No. 4.
The J. & Co. have observed that
copies of all in the P.M.S.
Orders are to be supplied
to the Controller in regular
course & that consequently dispatch
of the nature referred to by the J. & Co.
cannot occur.
The attention of the Chief Engineer
will be called to the resolution of
J. & Co. communicated to the J. & Co.
by the order of the J. & Co. No. 4.
His Genl. - C. believes that
these Officers will be found

24-3-76

There appears to have been
no inconvenience or instance
the letter from the J. & Co. of J
referred only to a book
transaction and the
Proceedings in which
it was disposed of were
apparently communicated
to the Controller without undue
delay. - I should have
expected that the Controller's
Office would have known
all about it from the Accounts
General

May 17/3

Submitted to the
Govt. Govt. of
India No. 108 A.S.
of 22 March was
not disposed of
by a Govt. Order
till 16th October.
G. H. S.

The Draft does not
not allude to the
irregularity of
selecting a charge
of last year &
diversion of por-
tion of the Ordinate
- money draft of
the current year.
It demanded which
Col. Wickes must
have known
perfectly well
when he made
it, could not be
complicated with
He probably signed
the Account for

Office Note

I should like this
Draft to go to the
Secretary -

The supply of
Corp. Orders when
issued, will not
be sufficient
as printed out
in the Secretary's
Memo with a
rough draft of
S.O. No. 407 of
15th Decr 1876 -

It will be neces-
sary to commu-
nicate to the
Examiners and
letter from the
Govt. of India
in which accounts
are involved,
without waiting

PROCEEDINGS of the MADRAS GOVERNMENT.

Under date the

31st March/76

Read the following:-

From

The Government of
India

(H.C. No 80 of 1876 Feb 17/76)

It is observed that
the letter referred to was
duly communicated
to the Examiners of
Public Works Accounts
as soon as orders
upon it were passed,
but it appears not
to have been submitted
for orders till six
months after its receipt,
its bearing on the accounts
of the Dept. having
been overlooked -
Also that neither in
1874-75 or in 1875-76

have there been any
funds available to meet
the charge by reappro-
priation under Ordinary.

The attention of the
Chief Engineer will be
called to para 2 of the
foregoing letter and to
the Resolution therein

referred to, the views expressed wherein
have been consistently
accepted by this
Govt.
