No. 583.

ORDER THEREON, 31st March 1876, No. 852-A.

ACCOUNT, No. 27.

It has not been practicable to make specific provision during the current year for increase of Capital of the Presidency Workshops owing to the many demands which have had to be met. There is no alternative therefore but to allow the amount to appear as an excess in the accounts. During the ensuing year however an allotment of Rupees 30,000 will be made.
