*Proceedings of the Madras Government, Public Works Department,
6th April 1876.*

No. 96. Read the following letter from Colonel C. H. DICKENS, R.A., Secretary to the Government of India, Public Works Department, (Account—Telegraph,) to Major-General G. W. WALKER, R.E., Secretary to the Government of Madras, Public Works Department, dated Fort William, 31st March 1876, No. 73 A—T. :—

I AM directed to acknowledge the receipt of your letter, No. 417, dated 16th February 1876, inquiring whether detailed plans and estimates for the necessary accommodation for the Telegraph Office at Madura should be prepared in reliance of a grant at an early date of a sum of Rupees 30,000 for the work.

2. In reply, I am to say that the revised scheme for Telegraphs in Southern India, referred to in Public Works Department, No. 165 A.T., dated 30th September 1875, has not yet been received, and that until it has been received and sanctioned the Government of India consider that it would be premature to prepare an estimate for the construction of the new office building at Madura which is to form part of the general scheme above alluded to.
