tion to be placed upon certain of the new furlough rules, sanctioned by the Home Government in August 1872, I am directed to inform you that the Board, in accordance with the suggestion made by His Excellency the Governor in Council, submitted the papers and correspondence to the Secretary of State, and requested to be favored with an expression of his opinion on the subject. The Directors were informed, in reply, that under the furlough rules of the Government of India it is provided that "the amount of privilege leave earned by an officer is one-eleventh part of the time during which he has been on duty without interruption.
