No 263 Memorandum

The Plan, Estimate & Specification submitted for placing four water Cisterns on the roof of the Revenue Board Office at Cherpunk are herewith returned and the Design will be so good as to resubmit them after revising them in accordance with the suggestions that have already been verbally discussed with him viz. substituting masonry for iron, Columns required as additional supports to the portions of the roof immediately below the Cisterns. The removal of the cost of the Pumps and Pipes provided from the original Estimate, note being made that the Cisterns can be filled by the fire Engines on the spot. Further report should also be made as to whether the Cisterns cannot be eventually filled by gravitation from the headas water works which it is understood are now being laid on to the Revenue Board Buildings, and whether under the circumstances the Cisterns are required.

To,

The Chief Engineer, and
Secretary to Government D.P.W.

Sir,

With reference to para 2 of G.O. No 2210 dated 11th August 1874, I have the honor to submit for sanction a plan, estimate, and specification report amounting to Rs 6,800- for erecting cisterns on the roof of the Revenue Board Office at Chepauk for the protection of the buildings from fire; also for laying down pipes. 2— The project has been approved of by the Secretary to the Board of Revenue. 3— The estimate provides for everything necessary. The rates are reasonable and sufficient, and no supplementary works will be hereafter required.

4— The Consulting Architect to Government will submit a separate project for the Ornamental cisterns referred to in the concluding part of

Encls 3
