No 176 Proceedings of the Madras Government in the Military Department,
dated 13th March 1876, No. 1,287.

ABSTRACT—Sanctioning the necessary repairs being made to the bungalow at
Hanagode, and referring to the Public Works Department the suggestion that the
building should be placed on the List of Public Works under the Executive Engineer,
Bangalore

No. 176-A From the Officiating Commissary-General, dated 29th March 1876,
No 8,909.

No 177. ORDER THEREON, 10th April 1876, No 944.

MILITARY WORKS, No 4

THE details of the repair estimate of
this building show that it is of cutcha
construction with mud walls and floors,
junglewood doors and timber, bamboo rafters, &c, &c, and not of a nature warranting
its being brought on to the List of Public Buildings under the Executive Engineer,
Bangalore

2 It is a building to be maintained, as heretofore, from Commissariat Funds
under the head of "Petty Construction and Repairs"

Proceedings of the Madras Government, Military Department,
13th March 1876.

Barracks and Buildings—Commissariat.

Read the following papers —

No 190. From Colonel J P WATTS, Officiating Commissary-General, to the Secretary to Government, Military Department, Fort St. George, dated Madras, 7th March 1876, No 8197.

I have the honor to forward the accompanying letter, No 353, dated 23rd February 1876, from the Commissariat Officer in charge of Amrut Mahal, Hoonsoor, bringing to notice the repairable condition of the departmental bungalow at Hanagod. As the repairs are urgently required to be completed before the commencement of the next rainy season, I request the sanction of Government for the work being executed by the Executive Engineer, Ashtagram Division, at a cost not exceeding Rupees 200, as per his estimate herewith attached, and for the bungalow being then brought on the list of public buildings under the Executive Engineer, Bangalore.

2 Funds, to meet the above charge, can be met from the head "Feed of Commissariat Cattle"

From Major C McINROY, Sub-Assistant Commissary-General, in charge Amrut Mahal Department, to Colonel J P WATTS, Officiating Commissary-General, Madras, dated Camp, Kibbanhalli, 23rd February 1876, No 353

I have the honor to submit an estimate for the repairs of the departmental bungalow at Hanagod,* which the Executive Engineer, Ashtagram Division, Mysore, has, at my request, caused to be prepared

* Not far from Hoonsoor

2 This bungalow was erected out of the money produced by the pound fines, and was kept in repair from the same source, but as now there is no pound attached to this department, there are no such funds available

3 It is absolutely necessary that the bungalow should be kept up, as the Officer in charge of Amrut Mahal has to reside there for a considerable time, when the herds are mustered and branded about August. The place is just on the Coorg frontier, and liable to such inclemency of weather, that living in tents is out of the question, having regard to office work, &c, being carried on efficiently

4 As the herds increase in size, so will the time to be spent at Hanagod be lengthened

5 I would suggest that the bungalow be brought on the list of public buildings under the Executive Engineer, Bangalore, and that that officer be requested to carry out the repairs, but if this arrangement be found impracticable, there are ample funds to meet the estimate from the surplus of the current year

† Item "Feed of Commissariat Cattle"—surplus, between Rupees 8,000 and 9,000.

6 I would beg that orders in this matter be passed as soon as possible, as it is most important that the repairs should be executed before the commencement of the next rainy season

No. 191. With report from the Controllor of Mily Accounts, 9th March 1876, D

No. 192 ORDER THEREON, 13th March 1876, No. 1287.

Under the above circumstances, His Grace the Governor in Council sanctions the necessary repairs being made to the bungalow at Hanagod, as recommended,—funds being provided by the Commissariat Department.
