Proceedings of the Madras Government, Public Works Department,
11*th April* 1876.

No. 217. Read the following letter from T. D. HARRIS, Esq., Officiating District Engineer, Malabar, to Major-General G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Camp at Cannanore, 6th April 1876, No. 5:—

I HAVE the honor to inform you that the European Regiment Canteen at this station has been completed and made over for use. The work has been done in a most careful, neat, and substantial manner; the flooring is Cuddapah slate, and the roof is covered with Mangalore tiles. Some difficulty was experienced about the tiles; at first the contractors refused to supply the common tiles, except at enhanced rates, and of inferior description. At Lieutenant Dobson's suggestion, I resolved to use Mangalore tiles, and the Agent having consented to reduce the rate by 5 Rupees per thousand to cover the cost of the carriage, we have succeeded admirably, and there will be a saving on the estimate. It is a pleasing duty to me to assure you that the work done at this building reflects credit to all concerned.

No. 218. ORDER THEREON, 11th April 1876, No. 964.

MILITARY WORKS, No. 7. ORDERED to be recorded.
