*Proceedings of the Madras Government, Public Works Department,
11th April 1876.*

Read the following papers:—

No. 219. From J. O'SHAUGHNESSY, Esq., District Engineer of Nellore, to Major-General G. W. WALKER, R.E., Chief Engineer, Public Works Department, dated Camp at Vencatagherry, 17th March 1876, No. 113.

I HAVE the honor to forward a plan and estimate for railing off the dais and for prisoners' dock and witness box required in the Sub-Collector's Court at Ongole.

2. The estimate has been prepared at the Collector's request, and it is countersigned by that officer in token of his approval.

3. The Sub-Collector states, in applying for the work, that "the hall in its present state cannot be used as a Court, there being no railings and no witness box, &c."

4. The revision of the rates allowed by the Range Officer and shown in red ink was made by the late District Engineer.

5. If the estimate is sanctioned, an allotment of funds for the purpose in 1876-77 is required.

No. 219-A. From J. O'SHAUGHNESSY, Esq., District Engineer of Nellore, to Colonel W. T. F. FAREWELL, Officiating Deputy Chief Engineer, Public Works Department, dated Nellore, 3rd April 1876, No. 4.

IN reference to your memorandum, No. 542, dated the 24th ultimo, I have the honor to forward a revised estimate for railing the dais and for furnishing the Joint Magistrate's Court at Ongole with a witness box and prisoners' dock.

2. The Range Officer's original estimate allowed Rupees 3-8-0 per cubic foot for teakwood, and 1-8-0 per square for painting. These rates were increased by Lieutenant Henderson, R.E., when in charge of this office to Rupees 5 and 4 respectively, on the supposition that the work cannot be done for a less amount.

3. The Range Officer has now informed me that the rates of the original estimate are "quite sufficient," and the revised estimate now forwarded is calculated according to those rates.

4. I have in accordance with your suggestions struck out the allowance made in the original estimate for "painting" and provided for "varnishing" instead.

5. I regret to have sent the original estimate up without scrutinizing it more closely than I did.

No. 220. ORDER THEREON, 11th April 1876, No. 965.

CIVIL WORKS, No. 14.

(a) *Heads of Service.*—Provincial.
Fund.—Ordinary.
Class.—Original Works.
Main-head.—Civil Buildings.
Sub-head A. Judicial Department I.—Court-houses.
Name of Work.—Witness box, dais, &c., for Joint-Magistrate's Court at Ongole.
Amount.—Rupees 135.
To be carried out by the Public Works Department.

THE estimate of Rupees 135 for railing the dais and for furnishing the Joint Magistrate's Court at Ongole with a witness box and prisoners' dock, is sanctioned.

2. This sanction has been registered as Provincial No. 9 W. of 1876-77.

(True Extract.)

District Engineer's Office,
Camp, Puccatagerry,
17th March 1876

From,

A. O'Shaughnessy Esquire,
District Engineer of
Andhra Pradesh.

To,

Major-General C. W. Walker, R.E.
Chief Engineer,
Public Works Department
Fort St. George.

Sir,

Enclosures.
2.

I have the honor to forward a
plan and estimate for railing off the
Jail and for Prisoners' dock and
witness box required in the Sub-Collector's
Court at Ongole.

The Estimate has been prepared
at the Collector's request, and it is
countersigned by that Officer in
token of his approval.

The Subcollector states, in applying
for the work, that the hall in its

2
present state cannot be used, as a
Court, there being no railings, and
no witness box etc."

The revision of the rates allowed by
the Range Officer and shown in red
ink, was made by the late District
Engineer.

If the Estimate is sanctioned, an
allotment of funds for the purpose
in 1876-77 is required.

I have the honor to be,
Sir,

Yours most obedient servant

J. H. H. H.
District Engineer.

[Handwritten notes at the bottom left, including a date '11-2-96' and other illegible text.]

Specification

The Standard plan allows no rails to Dais and neither witness nor prisoners dock. This has now been estimated for. The vertical posts will be inserted 9 inches into brick work flooring. The horizontal pieces will be notched and dove tailed into the posts, and the vertical rails fixed in a similar manner to horizontal pieces so as to avoid the necessity or use of rails. The plan and estimate explain other details.

From the District
Engineer of Bellare
to the Offg. Deputy
Chief Engineer
at Fort Saint
George.
Revised Estimate
for railing Dais
& for furnishing
the Joint Magistrate's
Court at Ongole
with witness box
& prisoners' dock.
Submitting to the
1852

Estimate allowed Rs. 3-8-0
per cubic foot for Oak wood
and 1-8-0 per square foot
for painting. These rates were
increased by Lieutenant
Henderson R.E. when in charge
of the Office to Rs. 5-4-0 respectively
on the supposition that the work
cannot be done for a lesser
amount.

The Range Officer has now
informed me that the rates
of the original Estimate are
quite sufficient and the
revised Estimate now forwarded
is calculated according to
those rates.

I have in accordance with
your suggestions struck out

the allowance made in the
original Estimate for "painting"
and provided for "Varnishing"
instead.

I regret to have sent the
original Estimate up without
scrutinizing it more closely
than I did.

I have the honor to be

Sir,

Your Most Obedient Servant

A. Whangwey,
District Engineer.
