*Proceedings of the Madras Government, Public Works Department,
21st April 1876.*

No. 274. Read the following letter from T. D. HARRIS, Esq., Officiating District Engineer, Malabar, to Major-General G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Camp at Cannanore, 6th April 1876, No. 4 :—

IN conformity with instructions contained in G.O., No. 3,641, dated 28th December 1875, I have the honor to inform you that the quarters for the Superintendent of Jail at Cannanore is complete with the exception of the banister of the stairs and putting on of glass doors and windows, and this will be complete before the end of the current month, and the quarters may be occupied from the 1st proximo. The work has been well executed in every detail, but I would beg to point out that it is very hard on this department to have to take up unfinished work of this description and complete it at such short notice, considering that this building has been nearly three years under construction. The work done during the last four months under the direction of Lieutenant Dobson, R.E., is, I am well pleased to inform you, most creditable and satisfactory, and I have no hesitation in recommending that all such works, as the one under reference requiring professional guidance, be entirely under the direction of this department.

No. 275. ORDER THEREON, 21st April 1876, No. 994.
