*Proceedings of the Madras Government, Public Works Department,
21st April 1876.*

No. 280. Read the following letter from Lieutenant-Colonel J. F. FISCHER, R.E., District Engineer, Madura, to Major-General G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Teroomungalum, 10th March 1876, No. 4,564 :—

I HAVE the honor to submit, for the sanction of Government, the accompanying plan and estimates, each amounting to Rupees 925, for constructing Police Station-houses at Cumbum and Bodinaikanoor, for the execution of which funds are provided in the list printed with G.O., No. 3,610, of the 24th December 1875.

2. It will be observed from the accompanying plan that slight alterations have been made on the standard plan* by the introduction of three additional pillars in the verandah and hall, so as to reduce the bearing of the beams and enable us to use timber of much less scantling, as the wood procurable in this district is of very inferior quality.

3. If this arrangement is not approved of, I beg to suggest a tiled roof being substituted for the flat roof over the rooms and keeping the verandah as before as shown by dotted lines on the plan when the pillars can be omitted.
