Proceedings of the Madras Government, Public Works Department,
20th July 1876. *No.* 1,830.

Read the following letters :—

No. 318. From Major H. L. PRENDERGAST, R.E., District Engineer, North Arcot, to Major-General G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Vellore, 14th July 1876, No. 1,230.

THE Examiner of Public Works Accounts has suggested more than once in the last six months, that application should be made for the sanction of the Government to the retention of the services of the temporary Overseer, for which authority was given in G.O., No. 1,401-A., dated 26th May 1874, until the final completion of the Palar bridge restoration works.

2. Captain Pennycuick proposed to keep on the temporary Overseer until another Overseer become available, by being set free from the Palar bridge on the completion of those works. This will now be in a few weeks, and I have the honor to request that sanction may be accorded, for this short time longer, to the retention of the services of the temporary Overseer.

3. I would observe that the two additional Overseers authorized in G.O., No. 3,473, of the 10th December 1874, for the Palar and Poiney anicuts are no longer employed in the district.

No. 318-A. From the same Officer, dated Vellore, 20th July 1876, No. 1,303.

IN continuation of my letter, No. 1,230, of the 14th instant, as the Examiner of Public Works Accounts makes a separate objection to the writer on 15 Rupees and two lascars at 6 Rupees each, as the establishment of the temporary Overseer, sanctioned in G.O., No. 1,401-A., of the 26th May 1874, I have the honor to request that the sanction of the Government may be accorded for this establishment, appertaining to the Overseer, until the completion of the Palar bridge works.

No. 319. ORDER THEREON, 20th July 1876, No. 1,830.

ESTABLISHMENT, No. 23-B. SANCTIONED.
