No. 322. Read the following letter from J. O'SHAUGHNESSY, Esq., District Engineer, Nellore, to Major-General G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Nellore, 12th July 1876, No. 64:—

THE appointment of Draftsman in the Central Range of this district became vacant in April last, and in reference to Chief Engineer's Circular, No. 122, dated the 20th January 1876, the circumstance was reported, with a view to one of the Supernumerary Draftsman in the Chief Office being appointed to it.

2. A Draftsman of the required class was not available in the Chief Office, and I therefore appointed Gurnadum Moodelly who holds a Draftsman's certificate of the 4th-class from the Principal of the Civil Engineering College, to fill the vacancy temporarily.

3. The Examiner of Public Works Accounts refuses to pass the full amount of salary for Gurnadum Moodelly, because the salary of the appointment is Rupees 40, and under the old Rules of 1861, a Draftsman should hold a certificate of the 2nd-class to entitle him to that amount of salary, and in reference to G.O., No. 580, dated the 3rd March 1876, the Examiner refuses to pass *any* amount of the salary, claimed for the Acting Draftsman, without the sanction of Government.

4. I have the honor to forward the list of disallowances, in which the Examiner's reasons are given, and as G.O., No. 580, dated the 3rd March 1876, expressly refers to the *General Test only*, I request the sanction of Government for the payment of salary

to Gurnadum Moodelly during the period* he was Acting Draftsman of the Central Range at the rate of Rupees 25 a-month, which is, I believe, the amount allotted to a 4th-class Draftsman under the old rules.

5. I may mention that there was no one else available for the post at the time Gurnadum Moodelly was appointed. A qualified Draftsman has since been appointed on the nomination of the Principal, Civil Engineering College, and Gurnadum Moodelly has returned to survey work on the temporary establishment.

No. 323. ORDER THEREON, 20th July 1876, No. 1,832.

ESTABLISHMENT, No. 24.

It is understood that a duly qualified candidate was not at the time available, and that Gurnadum Moodelly has since

been relieved. Under these circumstances, the Examiner may pass pay at the rate prescribed for a Draftsman of the 4th-class.

COPIES OF TESTIMONIALS AND CERTIFICATES.

THE bearer, apprentice P. Goornadam Mudali, has been under my orders from 2nd March 1857 up to this date, during which time, I have always had reason to be satisfied with him. He is an intelligent, active, hard-working young man and such works as have been entrusted to his superintendence have been well done. During his service with me his accounts have been correctly kept, and I believe him to be thoroughly honest. His private character is unexceptionable.
