*Proceedings of the Madras Government, Public Works Department,
20th July 1876. No. 1,839.*

Read the following letters :—

No. 335. From Lieutenant-Colonel C. S. HEARN, Inspector-General of Police, to Major-General G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Madras, 7th March 1876, No. 1,102.

With reference to last paragraph of my letter, No. 946, dated 2nd March 1876, I have the honor to forward the comparative statement* referred to, which has been sent for transmission by the District Engineer, although by G.O., No. 791, dated 16th March 1864, Public Works Department, it is laid down that such estimates should be forwarded by District Engineer.

No. 335-A. From Lieutenant-Colonel R. B. KENNEDY, District Engineer, Malabar, to Major-General G. W. WALKER, R.E., Chief Engineer, Public Works Department, dated Calicut, 4th July 1876, No. 74.

REFERENCE your memorandum, No. 504, dated 18th March 1876.

The original estimate for repairs, &c., to the Police office at Calicut was prepared by Mr. Supervisor Lalor; the mistake appears to have arisen from the original pannelled windows of the lower storey being available for putting on the outside; the fact that double shutters, with frames complete, were required for the upper storey was overlooked, and only glazed shutters, the same as required for the lower storey, allowed.

2. Data for the windows is forwarded as requested.

No. 336. ORDER THEREON, 20th July 1876, No. 1,839.

CIVIL WORKS, No. 27.

UNDER the explanation afforded, the excess of Rupees 251 over estimate for the Police office at Calicut sanctioned in

G.O., No. 281, dated 5th February 1874, is sanctioned.

2. No allotment is now required, the expenditure having been incurred prior to the current official year.
