CIVIL WORKS, No.* 29.

HIS GRACE the Governor in Council sanctions the plans and estimates aggregating Rupees 2,010, for constructing Police Station-houses at Jowlagherry, Koorembarahully, and Alangayam in the Salem District.

2. List A of Police Works to be carried out during 1876-77 and recorded in G.O., No. 3,610, of the 24th December 1875, contains provision as follows for the estimates now sanctioned :—

RS.
800

(a) *Heads of Service.*—Provincial.
Fund.—Ordinary.
Class.—Original Works.
Main-head.—Civil Buildings.
Sub-head.—F. Police Department.
Section.—ii, Stations.
Name of Work.—Stations at Jowlagherry, Alangayam,
and Kooroombarahully.
Amount.—Rupees 785 Jowlagherry, No. 90 W.
" 525 Alangayam, " 91 W.
" 690 Kooroombarahully, No. 92 W.
To be carried out by the Public Works Department.

Proceedings of the Madras Government, Public Works Department,
20th July 1876. No. 1,815.

3. The sanction accorded in these Proceedings has been registered as Provincial,
Nos. 90, 91, and 92 W. of 1876-77 as shown in the margin.

(True Extract.)

Colonel,

Offg. Under Secy. to Govt., P.W.D.

MEMORANDUM.

Letter Number 126
dated the 22 July 1876
from the District Engineer of Salem.

The Plans and Estimates
submitted are returned
for revision with
reference to the following
remarks.

Although the notes in reference
to the proposed plan for
Salem police station is
not absolutely correct
the plan is not
approved of
as it would be
of all buildings of this
description in the
district were as likely
to be as possible.
The plan is a simple one
including a few stations
being a whole in addition
is not understood.
The two posts shown
are intended to support the
minimum in the
station and not in
the other - one post
would appear to be
too little and

beach preferable to
a village -

3 The Ventilator in the
Loath up seems to
be sufficient - and
be ceilings to provide
the escape of fumes
throughout the
provided there
are many and
Hence the ventilation
into the place 2"
space as to allow
for the ventilator
space -

4 & again the building
is the construction
into the side the
other with the ordinary
painted roof. Gables
are preferable as they
give more air
about -

5 The new barrack with
secure enough. The height
from the water requires
while standing by it
across the river
at least 10 ft. as the
building is to be
across the river

Comparative Statement showing difference of
Rates between the Mangayam, Jorlagheri &
Corrombapally Estimates, Submitted by the
Dist Engineer. & the Dist Schedule for Police
Station houses in the Salem District.
