*Proceedings of the Madras Government, Public Works Department,
22nd July 1876. No. 1,862.*

No. 380. Read the following letter from Major J. VERTUE, R.E., District Engineer, Trichinopoly, to Major-General G. W. WALKER, R.E., Chief Engineer, Public Works Department, dated Trichinopoly, 7th July 1876, No. 336 :—

I HAVE the honor to draw your attention to my letter, No. 1,020, of 20th March of the current year, and to request the special sanction of Government to the entertainment of the "clerk in charge of Stores and Records," whose salary of Rupees 10½ per mensem I proposed to meet from the district grant for Petty Establishment.

2. The Controller declines to admit the charge, unless specially sanctioned, on the ground that Petty Establishment is not supposed to include members of office establishments.

3. The sanction now solicited involves no extra expense, and I trust it may be borne in mind that the work of this district, though rated only as third-class, and provided with a corresponding establishment, is so heavy that its claims to be raised to the second-class have been more than once brought forward.

No. 381. ORDER THEREON, 22nd July 1876, No. 1,862.

ESTABLISHMENT, No. 27.
