PUBLIC WORKS DEPARTMENT.

General.

Establishment.

Read the following papers :—

No. 139. From Major ROSS THOMPSON, R.E., District Engineer, Presidency, to the Chief Engineer, Public Works Department, dated Fort St. George, 24th July 1877, No. 2,326.

ADVERTING to G.Os. as per margin, I have the honor to report that the Head Estimator C. Vurdarajoo Moodelliar and Storekeeper C. Cundasawmy Moodelliar, attached to the Presidency District Engineer's Office, and referred to in the list of pensionable officers, communicated with G.O., No. 125, dated 15th January 1877, were sent for medical examination. C. Vurdarajoo Moodelliar has been certified to be fit for further service, while C. Cundasawmy Moodelliar has been pronounced completely and permanently incapacitated for further service.

2. C. Vurdarajoo Moodelliar was entertained in the department in September 1856, and has now served uninterruptedly for 21 years. As this service will not entitle him to half pension, he requests that he may be retained in the department till he completes 25 years' service to enable him to get half pension. I therefore beg to recommend the retention of his service until that period.

3. As regards Cundasawmy Moodelliar, I beg to state that I am particularly anxious to retain his services under Rule I, Section 55, of the Civil Pension Code, pending the decision on his application for pension, which will shortly be submitted.

4. With regard to T. Manica Moodelliar, Storekeeper, Public Works Workshops, the General Superintendent has been directed to furnish a report, and on its receipt it will be submitted.

No. 139-A. From the same Officer, dated Fort St. George, 5th October 1877, No. 3,717.

In paragraph 3 of my letter No. 2,326 of 24th July 1877, I reported to Government that I was anxious to retain the services of Storekeeper Cundasawmy Moodelly under Rule I, Section 55, of the Civil Pension Code, pending decision on his application for pension; but the Examiner of Public Works Accounts refuses to pass the pay of Cundasawmy Moodelly without the special sanction of Government, as he was pronounced unfit for further service; I have therefore the honor to request that Government will be placed to sanction the retention of Cundasawmy Moodelly's services and authorize the Examiner to pass his pay.

2. The pension application was forwarded to the Examiner of Public Works Accounts, and that officer has returned it for further information, which will be supplied shortly.

No. 140.

CUNDASAWMY MOODELLY, having been pronounced unfit for further service, cannot be retained on the effective establishment; he should, therefore, be relieved at once. Pay will, however, be passed up to date of relief as a special case.

Sir,

In para 3 of my letter
N^o 2326 of 24th July 1877 I
reported to Govt. that I was
anxious to retain the services
of Shurkaper Sundarasingh
under rule 1 Sec 55 of the Civil
& Prison Code pending decision
on his application for pension, but
the Examiner of P. & Accounts
refused to pass the pay of
Sundarasingh accordingly without
the special sanction of Govt.
as he was pronounced unfit
for further service, I have therefore
the honor to request that in

Gent. will be pleased to
sanction the retention of
Sundaramy Mudali's services
and authorize the Examiners
to pass his pay.

The pension application
was forwarded to the Examiners
of P. M. Accounts and that
Officer has returned it for
further information, which

State of _____

With reference to the
remuneration by His Grace
The Governor on this
draft it is submitted
that Crundasawmy Moodley
was not apparently
actually sick as he has
been performing his
duties since being brought
before the Medical
Board. Under Code &
Rule quoted below he
should not have been
allowed to continue on
the Establishment,
whether actually sick or
not. Hence the Examiner's
objection. The presump-
tion evidently is that
the

the further retention of a
man pronounced unfit
for service by a Board
of Medical Officers is an
anomaly, and causes an
unnecessary charge on the
State.

Pension Code Rule.

Section 55. Rule I.

"An officer who has
submitted a Medical
Certificate of incapacity
for further service must
not (except for special
reasons to be reported
to the Local Government)
be retained in service
pending the decision
on his application for
pension. Without the
further special sanction
of the Local Government,
service

service after the date
of a Medical Certificate
can in no case count
for pension. The object
of this rule is to dis-
courage tentative
applications."
