*Proceedings of the Madras Government, Public Works Department,
26th March 1877. No. 1,024.*

No. 638. Read the following letter from Major J. G. STEEL, R.E., Officiating Under Secretary to the Government of India, Public Works Department, (Establishment—Account,) to the Secretary to the Government of Madras, Public Works Department, dated Fort William, 12th March 1877, No. 79 E—A:—

In reply to your letter No. 443 of 7th February 1877, submitting an application from Lieutenant Christie, Deputy Examiner of Public Works Accounts, for privilege leave for two months and twenty-nine days, I am directed to observe that Lieutenant Christie is specially employed in the preparation of the Capital and Revenue Accounts for Irrigation Works in Madras, a work in which the Government of India is much interested and in the execution of which there has already been great delay. But as it is understood that owing to the state of his health Lieutenant Christie requires rest from work, the Government of India sanctions his application for leave, but I am to request that it may be stated how the work is to be carried on during his absence and what the present state of the work is.

2. I am also to inquire why when the privilege leave granted to Lieutenant Christie in June last on his urgent application was not taken by him the circumstance and the reason for it was not brought to the notice of the Government of India.
