*Proceedings of the Madras Government, Public Works Department,
26th March 1877. No. 1,025.*

No. 640. Read the following endorsement of the Consulting Engineer for Railways, dated Madras, 19th March 1877, No. 174:—

From H. E. CHURCH, Esq., Traffic Manager, to R. B. ELWIN, Esq., Agent and Manager of the Madras Railway Company, dated Madras, 17th March 1877, No. G—2,915.

Grain damaged at Cuddapah.

I BEG to enclose a copy of letter from Mr. Hill at Cuddapah for your information.

From C. HILL, Esq., to H. E. CHURCH, Esq., Traffic Manager, Madras Railway Company, dated Cuddapah, 16th March 1877.

I HAVE to report for your information that there was a very heavy thunder storm this morning between 6 A.M. and 7 A.M. The rain was very heavy indeed and although all the tarpaulins we had on hand were put over the grain lying in the yard, some 10,000 bags have been thoroughly saturated. The following is a rough estimate of the bags belonging to the European merchants of Madras on hand last night:—

Messrs. Arbuthnot and Co.	...	...	...	...	4,500
„ Parry and Co.	...	...	...	...	2,000
„ Wilson and Co.	...	...	...	...	4,000

It is estimated that half of the above is completely spoiled.
