Famine Relief.

No. 62A. Read the following endorsement of the Acting Joint Secretary to Government, Public Works Department, dated Fort St. George, 27th February 1877, No. 503:—

Read the following letter from J. O'SHAUGHNESSY, Esq, District Engineer of Nellore, to the Secretary to Government, Public Works Department, Fort St. George, dated Ramatheertham, 22nd February 1877, No. 195.

In reference to G.O., dated the 7th February 1877, No. 448, I have the honor to report that a sum of Rs. 1,881 was expended at the end of January last on the salt road from Koppolu to Beeramgunta against the grant of Rs. 2,000 assigned to that work in G.O., dated 20th December 1876, No. 3,499.

2. I now request to be informed if that expenditure is to be removed from the head "Provincial" and charged to "Famine Relief Work." I beg, however, to suggest that, as most of the expenditure had been incurred before relief-works were commenced, it seems more correct to let the grant from Provincial Funds remain if possible, and to have the past expenditure charged to it; all further expenditure to be charged to Famine Relief Funds, as sanctioned in G.O., Revenue Department, dated 29th November 1876, No. 1,856.

3. In reference to this last-quoted Government Order, I beg to inquire if it includes the Collector's proposals to have the work supervised by the Canal Officers, and if the Government desire that this should be done. The Canal Officers have quite enough to do on the canal, and it would be inconvenient, if not impracticable, to have the road-work supervised by the canal establishment; I have, therefore, pending the decision of Government on this reference, ordered the Range Officer, in whose charge the work has been hitherto, to continue in charge of it, and I request that this arrangement may be approved.

REFERRED to the Revenue Department with reference to the orders in that Department, No. 1,856, dated 29th November 1876, and to the orders in the Public Works Department, No. 448, of the 7th February 1877.

(Signed) W. FAREWELL, Colonel,
Acting Joint Secy. to Govt., P.W.D.

No. 62B. ORDER THEREON, 2nd March 1877, No. 889A.

Separate Revenue, No. 6.
Salt.

THE District Engineer's suggestions are approved. The Range Officer will continue in charge of the road instead of the Canal Officers, and the papers will be retransferred to the Public Works Department in view to only 119 Rs. of the allotment for the road for the current year being transferred to Provincial Reserve instead of 2,000 Rs. as directed in G.O. of the Public Works Department, dated 7th February 1877, No. 448, a sum of Rs. 1,881 out of that sum having been expended up to the end of January last.
