No. 159-W.

No. 787. *Note by the Chief Engineer for Irrigation.*

THE District Engineer, Nellore, submits two statements, one showing the redistribution of grants for 1876-77 for works in connection with Pennair anicut system, Revenue "Extensions and Improvements" and "Maintenance and Repairs," and the other showing the redistribution of grants for 1876-77 for "Original Major Works Ordinary Agricultural." The surrenders from the grants of works under "Revenue," "Extensions and Improvements," Pennair anicut system, amount to Rupees 2,565, and the demands for works under the same head amount to Rupees 350, leaving a net surrender of Rupees 2,215. The District Engineer, North Arcot, having applied for, in his letter, No. 3,830, of 12th March 1877, an additional allotment of Rupees 145 for works under "Revenue," "Extensions and Improvements," "Palair anicut system," it is recommended that Rupees 145 be transferred from Pennair anicut system to Palar anicut system, and the balance of surrender, Rupees 2,070, be held at the disposal of Government.

2. The District Engineer is authorized to effect the proposed redistribution of grants for works under "Maintenance and Repairs." A revised redistribution of grants for the right embankments, Pennair from Narasimkondah to Nellore anicut and from Nellore anicut to the sea, having been sanctioned in G.O., No. 928, of 17th March 1877, the transfer of Rupees 4,000, proposed by the District Engineer, is unnecessary.

3. It is recommended that Rupees 230 surrendered from the grant of Rupees 5,850 for reconstructing a calingulah of Chinnakraka large tank, Budget item No. 269, be held at the disposal of Government.
