The Secretary to Government
Public Works Department
Sect. of Justice and
Respected Sir,

I most respectfully beg
leave to bring to your kind notice that
after my long and faithful services, I
have now been most unmercifully accused
of certain unfounded and untrue charges,
preferred against me, sustained to the
extent of such sum
which I am in no way deserving.

And I beg to state, that when
my dismissal was recommended on
certain reasons not in any way justified,
the Honorable Government after taking the
facts into due consideration, found it
proper not to sustain the proposal, but
expressed their opinion to the effect that it
will be advisable to transfer me to some
other District, notwithstanding such decision,
the Subordinate Head of the P. W. Department
of the Division caused me to be indicted in
charge.

the opinion expressed by the Accused -
Subjected me to the punishment I am
now undergoing to the Serbian loss and
deep regret of myself and my large family
in these hard days.

Further, by to acquaint your
 Honor, that during the time my case was
 under investigation, I had not been paid
 the salary, and that the payment of the same
 was in suspension as I was then unable
 to assert my claim for the same, in consequence
 of time

That your honor is well
aware that in accordance with the Rules
in force, I have a fair claim for the
Salary up to the Date I had been sentenced
into by the Supreme Judge and that by the
Salary in arrears being withheld and I
being now confined in Jail, my large
family are in these famine days under
the Control of starvation and misery.

Although the Harassment
of innocent Slave in Luncheon Cases have
pleased to sanction the Prohibition of
such delay in cases; yet the Luncheon

Under these circumstances I most humbly solicit that your honor will be pleased to submit this application in conjunction with my petition for release already before Government and then obtain the sanction of the Honorable Government for the payment of the arrears of Salary due to me from November/75 to the end of April/76 and thereby release my family from the serious Distress they are subjected to, and so that I am released from the Jail as my requests are just and reasonable.

I beg to Pardon
Respected Sir.
Yours most obedient and humble.
Lemuel.

was subsequently dismissed.

2. He was tried and sentenced to 5 years rigorous imprisonment and a fine of 1000 Rupees or 2 years further imprisonment.

3. The pay and allowances up to the 21st March 1876, which have been withheld, amount to Rupees 349-14-7, and apparently to refuse to pay this amount to the Petitioner or his family would be to enhance the punishment which has been inflicted by the Sessions Court. From the correspondence it does not appear that there is any unadjusted amount of money entrusted to the Petitioner against which the arrears of salary should be taken

The pay was earned & the large sum of Rs 349-14-7 has been paid as it became due. The Dist. Engr. was at first irregular in not having it in his possession with out warrant as in dealing with it. The man is indebted to Govt. The fine is not a debt. L.B.

The District Engineer Bellary will be instructed to dispose of the sum of Rupees 349-14-7 reported in his letter No 609 of the 19th May 1876 to have been withheld from the late Sub Overseer Narain Ram under instructions from the Sessions Judge, unless there be any outstanding claims against this man in which case he will report the circumstances and the amount unadjusted for further orders.
