Dear Sir with reference to
the proposed new Bank
house, I beg to inform
you that I have now
seen Major Beatty
on the subject, and
he repeats what I
have already mentioned
to you when in Madras,
namely, that the Bank

must first apply to
Government when he
has no doubt they
will allow him to make
a plan and estimate.
The present house at
Shaw stated in a
previous letter, although
kept up at considerable
expense & inconvenience,
yet from the nature
of its construction,
is showing how un-
mistakable sign
of going wrong - and

I think in a very
short time it will
require again to be
thoroughly repaired
and re-roofed from
end to end -

Yours faithfully
Wm Maclean
