Read the following paper :—

No. 237. From Colonel F. J. MOBERLY, R.E., Superintending Engineer, Chingleput, to the Chief Engineer, Public Works Department, dated St. Thomas' Mount, 13th October 1877, No. 2,790.

I HAVE the honor to bring to your notice that the Examiner of Public Works Accounts in auditing the bill of charges incurred by Mr. Hayes, Assistant Engineer, recently joined from Bengal, has disallowed the sum of Rupees 66-9-0, the charges incurred on account of stabling, &c., at Calcutta, and Rupees 10 the return passage of a horse-keeper as per vouchers enclosed, on the grounds that the special sanction of Government is necessary to enable him to admit the same. As the expenses were incurred by Mr. Hayes purely in connection with his public duties, viz., his transfer to this Presidency, I trust that, in consideration of the same, the necessary orders may be passed to enable the Examiner to admit the charges, as otherwise Mr. Hayes must actually be a loser of the sums in question.

No. 238. ORDER THEREON, 23rd October 1877, No. 1,188 W.

THE Government are of opinion that of the charges incurred by Mr. Hayes, the item for stabling one horse at Calcutta may be admitted. The rest have been rightly disallowed.
