GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

23rd October 1877, No. 1,189 W.

General.
Establishment.

Read the following paper:—

No. 239. From Major K. A. JOPP, R.E., Engineer in charge of Bellary-Hubli State Railway, to the Secretary to Government, Public Works Department, dated Bellary, 8th October 1877, No. 850.

In reply to your memorandum, No. 2,812, dated 21st September, directing me to recommend a grade in the Public Works Department for Mr. T. G. Stewart, I have the honor to state that I have ascertained from original documents in Mr. Stewart's possession that he was given (Secretary to Government of India, Revenue, Agriculture and Commerce, No. 5, dated 9th January 1875, to address of Chief Commissioner, Central Provinces,) permanent employment under Government on a salary of Rupees 200 per mensem, in consequence of which he was called upon and did resign his appointment on Great Indian Peninsula Railway.

2. Mr. Stewart drew this salary up to, and for 15th of last month, the date on which he made over his duties at Warora to join my Railway.

3. I myself have suffered so much from the posting of outsiders at once into grades which I have been toiling for years to reach that I cannot "recommend" the permanent posting of any individual to the supersession of those who are already in the department, but may mention that the salary Mr. Stewart has up to the present been enjoying equals that of a Supervisor, 1st Grade, Public Works Department, and that I think it should be taken into consideration that had he been holding that grade in the Central Provinces and been ordered to Madras Presidency for famine duty, he would by G.O. No. 1,161 of 5th April 1877 have drawn, whilst so employed, the salary of the next higher grade, viz., (Rupees 250) that of a Sub-Engineer, 3rd Grade.

4. I have as yet had no opportunity of judging of Mr. Stewart's qualifications.

5. Whilst wishing to have no hand in the permanent posting of Mr. Stewart to a high grade in the Upper Subordinate Establishment, I trust I may be permitted to recommend that, so long as Mr. Stewart is employed on famine duties in the Madras Presidency, he should draw the pay and travelling allowances of a Sub-Engineer, 3rd Grade.

No. 240. ORDER THEREON, 23rd October 1877, No. 1,189 W.

MR. STEWART while engaged on famine duties in the Madras Presidency will draw the pay and allowance of a Sub-Engineer of the 3rd Grade.

over his duties at Warora to join my railway.

I myself have suffered so much from the posting of outsiders, at once, into grades which I have been waiting for years to reach that I cannot "recommend" the permanent posting of any individual, to the supersession of those who are already in the Department, but may mention that the salary Mr. Stewart has up to the present been enjoying equals that of a Supervisor 1st Grade P. W. Deptt. - and that I think it should be taken into consideration that had he been holding that grade in the Central Provinces and been ordered to Madras Presidency for famine duty he would by G. O. I have as yet had no opportunity of judging of Mr. Stewart's qualifications.

Whilst wishing to have no hand in the permanent posting of Mr. Stewart to a high grade in the ~~Upper Subordinate~~ ~~East~~ ~~East~~ I trust I may be permitted to recommend that so long as Mr. Stewart is employed on famine duties in the Madras Presidency he should

should draw the pay and travelling allowances of a Sub Engineer 3rd Grade. -
