*Proceedings of the Madras Government, Public Works Department,  
9th April 1877. No. 1,215.*

No. 220. Read the following letter from Captain L. CONWAY-GORDON, R.E.,  
Examiner of Public Works Accounts, to the Acting Joint Secretary to  
Government, Public Works Department, Buildings and Roads Branch, dated  
Fort St. George, 31st March 1877, No. 451-B:—

I HAVE the honor to submit, for the information of Government, the accompanying  
statements of Imperial works and would suggest such transfers that the Government  
may consider necessary from the balances of appropriations shown in the statement  
marked A to meet the excess outlay shown in the statement marked B.

2. I would specially bring to the notice of Government the large amount of  
excess expenditure incurred on No. 4 Block of the Barracks at Wellington. The  
estimate also for this work has been exceeded by Rupees 7,787. I observe that an  
additional appropriation to the extent of Rupees 6,744 has been sanctioned for the  
work in Government Order No. 1,013, dated 23rd March 1877, so that there is still an  
excess over appropriation of Rupees 714 to be provided.

No. 221. ORDER THEREON, 9th April 1877, No. 1,215.

ACCOUNT, No. 7.

THE official year 1876-77 having  
expired, no action can now be taken on  
the statements submitted by the Examiner  
on the last day of that year.

2. With reference to paragraph 2 of the Examiner's letter, it is observed that  
in his letter printed with G.O., No. 1,013, of 23rd March 1877, the District Engineer,  
Nilgiris, specially reported that the excess over the Budget appropriation amounted to  
Rupees 6,744, which amount was accordingly provided by Government.

(True Extract.)

Colonel, R.E.,  
Secretary to Government, P.W.D.
