once as the foundations can now be laid without difficulty.

2.* There is no necessity for any extra amount to be given for this bridge as there will be a heavy saving in the work of Pulyankal drain, the original estimate sanctioned in G.O., No. 3,126, dated 21st November 1876, was made without levels by the Salt Department. I have had levels taken and the result is that considerable less excavation than estimated for is required.

3. The earthwork is in hand under the Collector, to whom the revised estimate has been forwarded.

No. 328-A. From the same Officer, dated Cuddalore, 11th April 1877, No. 8.

With reference to your Memorandum, No. 810, dated 26th March 1877, I have the honor to forward the revised estimate of Rupees 4,985 for the Pulyankal
