*Proceedings of the Madras Government, Public Works Department,
16th April 1877. No. 1,300.*

No. 378. Read the following letter from W. A. GOODCHAP, Esq., District Engineer, Kurnool, to the Chief Engineer, Public Works Department, Buildings and Roads Branch, dated Kurnool, 2nd April 1877, No. 16 :—

ADVERTING to your Circular memorandum No. 717, of 16th March 1877, I have the honor to forward for your favorable consideration a copy of letter No. 117, dated 28th ultimo, received from Mr. Assistant Engineer Johnston on the subject of passing the departmental examination in the vernacular of the district, and requesting under the explanation afforded that he may be allowed to be considered to have passed the colloquial test in Telugu.

From J. C. JOHNSTON, Esq., Assistant Engineer on special duty, to W. A. GOODCHAP, Esq., District Engineer, Kurnool, dated Candlapoor, 28th March 1877, No. 117.

With reference to Circular Memorandum No. 717, dated 16th March 1877, from Chief Engineer, Department Public Works, I have the honor to request that I may obligingly be allowed to be considered to have passed the colloquial examination in the vernacular of the district.

2. In my last examination I failed because out of three urzees one was read "with difficulty," while the two others were read fluently, and also because my dictation was "indifferent." I however quite satisfied the Examiners "colloquially," and would deem it a great favor if I might be considered to have passed so.

3. I am very busy now with my tank estimates, but hope to be able to devote some little time every day to study, and to appear in about six months.

No. 379. ORDER THEREON, 16th April 1877, No. 1,300.

ESTABLISHMENT, No. 24.

It will be ascertained in the Educational Department whether Mr. Johnston can be given a certificate of qualification in the colloquial test by the Examination Committee—failing which the Government cannot exempt him from further test in the vernaculars.
