With reference to paragraph 6 of G.O., No. 1,051, dated 28th March 1877, I have the honor to inquire whether the balance of Rupees 18,807 out of the sum of Rupees 27,016, appropriated for the Survapully Project in the Final Issue of the Irrigation Budget for 1876-77, and subsequently cancelled by the Government of India in their Order No. 388 A—I, of the 31st October 1876, printed with G.O., No. 3,180, dated 28th November 1876, should be considered as a reduction from the total grant under Extraordinary for 1876-77. No orders have been received up to date appropriating the amount to any other Irrigation Extraordinary Project.

2. The individual works for which the sum of Rupees 16,276 has been appropriated in the Government Order under reference are not mentioned, and no appropriation is made for Establishment under Capital Ordinary to meet the 25 per cent. charge against Rupees 16,276 appropriated for works, I shall therefore feel obliged if you will be so good as to furnish me with this information.

No. 442. ORDER THEREON, 19th April 1877, No. 1,335.

IRRIGATION, No. 41.

Account.

The cancelment by the Government of India of the grant under Extraordinary for 1876-77 for the Survapully Project involves a corresponding reduction of the total grant from that fund.
