*Proceedings of the Madras Government, Public Works Department,
23rd April 1877. No. 1,381.*

No. 528. Read the following letter from Lieutenant-Colonel C. S. HEARN, Inspector-General of Police, to the Secretary to Government, Public Works Department, Buildings and Roads Branch, dated Madras, 10th March 1877, No. 1,138:—

I HAVE the honor to submit, for the sanction of Government, the accompanying estimate prepared by the Department Public Works, amounting to Rupees 140, for the building of the compound wall of the Ogily Station-house, Nellore District, and request permission to get the work executed by that department instead of by Police Agency as originally proposed and approved in G.O., No. 132, dated 15th January 1877, Public Works Department.

2. I have also the honor to forward for sanction an estimate, amounting to Rs. 378,

			rs.	for the works noted in the
One Station-house (mud and thatch) at Pedarikatla	...	120	margin in the same district	
Do. do. Kadivadu (reconstruction)	...	65	and proposed to be carried	
Do. do. Yaroor (do.)	...	77	out by departmental ar-	
Do. do. Tsakalakendah	...	52	rangement in 1877-78.	
Do. do. Chinna Pavany	...	64		
Total			378	3. The buildings pro-

posed to be reconstructed are mud and thatch Station-houses which appear to have been built by departmental agency with the assistance of the villagers between 1862-63 and 1864-65, at a small cost varying from Rupees 20 to Rupees 40 as shown in the estimate. They require renewal as no sound material remains except the mud walls, and the cost in some cases exceeds the original value in consequence of the high prices of wood and thatch, &c., ruling at present in the district.

4. All the above items are included in the lists of works approved for 1877-78 in the Government Order quoted in paragraph 1.

5. The necessary sites have been already secured.
