*Proceedings of the Madras Government, Public Works Department,
25th April 1877. No. 1,416.*

No. 597. Read the following letter from Major P. MONTGOMERIE, R.E., District Engineer, Salem, to the Secretary to Government, Public Works Department, dated Salem, 12th April 1877, No. 7 S.L. :—

With reference to the accompanying disallowance list from the Examiner, Public Works Accounts, I have the honor to request the Government will be pleased to sanction, as a temporary measure, the appointment of Local Fund Overseer C. Moorogasa Moodelly, who is employed as Overseer on relief works in the Ahtur Taluq in this district.

2. The Ahtur Taluq was without an Overseer when Mr. Dumphy left the district on sick leave in December last. The Salem Overseer had charge of the two taluqs, but this arrangement was found to be altogether impracticable when relief works were started, and as I could not obtain the services of passed candidates with practical experience (many positively refusing to come), I appointed C. Moorogasa Moodelly to this post on the recommendation of Mr. Norfor, the Range Officer, and with the approval and sanction of the President, Local Fund Board.

3. Moorogasa Moodelly has passed the Draughtsman and Surveyor's Test, and has the advantage of considerable practical experience, having acted as Overseer in the Ahtur Taluq from September 1869 to May 1870, and been in charge of roads and buildings in the same taluq under the Local Fund Board since that period. He therefore possesses a thorough knowledge of the taluq, and is very highly commended by the President, Local Fund Board, as a most efficient Overseer.

4. The services of Mr. Dumphy, who has just returned from sick leave, are utilized in the Tripatore Taluq, where additional hands are much needed.

5. I trust the Government will therefore see no objection to the temporary entertainment of C. Moorogasa Moodelly, and will authorize the Examiner to pass the salary bill.

No. 598. ORDER THEREON, 25th April 1877, No. 1,416.

ESTABLISHMENT, No. 37-A.

THE temporary employment of C. Moorogasa Moodelly, as an Overseer of the 3rd Grade, on Famine Relief Works, is sanctioned.
