MADRAS RECORD OFFICE.

Government of Madras.

Public Works DEPARTMENT.

G.O. No. 1427	(141)	Press ~~Mis.~~
Dated 26-4-	1877.	

Not to be folded or roughly handled

Read the following papers:—

No. 619. From Captain R. R. E. BROCKMAN, R.E., District Engineer, Tanjore, to the Chief Engineer, Public Works Department—through the Examiner of Public Works Accounts—dated Tanjore, 16th March 1877, No. 456.

I HAVE the honor to bring to your notice that during last Christmas vacation the Officer in charge of the Tanjore Range remitted to this office the sum of Rupees 22-1-6, as particularized in the margin. The office being closed at the time, the Range lascar conveyed the money to the Manager at his house, who declined to receive it there, and told the lascar that the money should be brought to him

while at office. The lascar, however, went to the District Office and delivered the money to one Nagalingum, a lascar attached to the office, and nothing further was heard of the matter till the 2nd January 1877, when the Lascar Nagalingum having been missed inquiries that had to be made regarding him led to the disclosure of the above circumstance, and it was obvious that the lascar had absconded with the money. The matter was in due course referred to the Superintendent of Police, and from the enclosed copy of his letter on the subject it will be seen that since absconding from this district, Nagalingum has committed further delinquencies in the Madura District, whence also he is said to have absconded. As, in all probability, under the circumstances, the money which the lascar has made away with will never be recovered even should the man be apprehended, I have the honor to solicit sanction to the same being written off to "Profit and Loss."

2. There is a sum of Rupees 7, the pay of the absconded lascar for December in deposit, which I propose to credit to Government.

From T. E. THOMAS, Esq., Acting Superintendent of Police, Tanjore, to Captain R. R. E. BROCKMAN, R.E., District Engineer, Tanjore, dated Tanjore, 6th March 1877, No. 40.

In reply to your letters marginally noted, I have the honor to inform you that on receipt of the first, a Constable from this town was despatched on the 6th ultimo, with one of your lascars, to Madura to try and trace the accused

Nagalingum out; they returned on the 15th idem, reporting he had absconded from Madura after stealing Rupees 150 from an officer of the Public Works Department there, and that it was not known where he had gone to. A warrant has since been obtained from the Town Sub-Magistrate of Tanjore for his arrest under Section 408 of Indian Penal Code, and it has been sent down to that district by Constable No. 1,338 Cuppusawmy for execution, report of which will be communicated to you in due course; besides the above his descriptive roll has been sent for publication in the District Hue and Cry Sheet.

2. It is remarked that if the Manager, instead of declining to receive the
money, had seen to its being safely lodged in the office, this loss would not have
occurred.

3. The District Engineer will severely reprimand him for his negligence.
The holiday notice always requires that provision be made for the despatch of
