*Proceedings of the Madras Government, Public Works Department,
26th April 1877. No. 1,429.*

No. 623. Read the following letter from Captain R. R. E. BROCKMAN, R.E., District Engineer, Tanjore, to the Chief Engineer, Public Works Department, Buildings and Roads Branch, dated Tanjore, 18th April 1877, No. 648 :—

In reference to G.O., No. 705, dated 2nd March 1877, authorizing to put in hand early in the current year the estimate of Rupees 1,970 for repairs and additions to the Range Office at Negapatam, sanctioned in G.O., No. 3,561, dated 13th December 1875, I have the honor to inform you that it will be necessary that the building should be vacated to admit of the work being executed. There is no Government building at Negapatam that can be made available temporarily for the Range Office nor any private building suitable for the purpose obtainable at a moderate rent, the Range Officer, Lieutenant Romilly, R.E., proposes therefore to give up three rooms in the house occupied by him for the Office Establishment and records of the Range Office while the office building is being repaired, and requests that Rupees 20 may be allowed monthly on account of rent for the same. The above arrangement appears to me the best; indeed it is the only one that can be made under the circumstances, and I have the honor therefore to recommend that the same may be sanctioned, and also a monthly rent of Rupees 20 for the Range Office during the period the Government building is under repair.
