THE Secretary of State for India having been pleased to appoint you to the Engineer Establishment of the Indian Public Works Department, I am directed to inform you that you will be required to proceed to India on the 29th instant.

You will be posted, in the first instance, to the Secretary in the Public Works Department, from whom you will receive instructions for proceeding to your destination.

Fort St. George.

You are appointed, in the first instance, to the Public Works Department as an Assistant Engineer, Second Grade, the salary of which grade, at the rate of Rupees 4,200 per annum, will commence from the 1st October next. In the event of your being compelled by ill health, certified to the satisfaction of Government, to quit the service of Government within the period of ten years from the date of your arrival in India, you will be provided with a passage back to England at the public expense, provided that you avail yourself of it within three months of your leaving Government employment.
