GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

5th November 1877, No. 1,439 W.

Buildings and Roads.

Civil Works.

Read the following paper:—

No. 19. From Lieutenant-Colonel R. B. KENNEDY, District Engineer, Malabar, to the Chief Engineer, Buildings and Roads, dated Camp at Luckadie, 27th October 1877, No. 109.

In compliance with the provisions of G.O., No. 157, dated 29th May 1877, I have the honor to forward correspondence and request orders of Government on the subject.

From H. WIGRAM, Esq., Officiating District Judge of South Malabar, to the District Engineer, Malabar, dated Calicut, 11th August 1877, No. 238.

With reference to the Proceedings of Government, dated 12th June 1877, Public Department, No. 794, I have the honor to request that you will inform me whether there is any objection to the transfer of the District Munsif's Court of Kutnad to the building lately occupied by the Deputy Collector at Ponany. The District Munsif's Court is at present held in a Government building about two miles from Ponany, and I think that it will tend to the convenience of the public if the District Munsif's Court is located in the town of Ponany. I addressed the Collector on the subject on 7th March last, and he replied that he had no objection to the transfer as a temporary arrangement. I then requested the High Court to sanction the transfer, and have been referred to the Proceedings of Government quoted above. In the event of your not raising any objection, I have to request that you will obtain the necessary orders of Government.

From Lieutenant-Colonel R. B. KENNEDY, District Engineer, Malabar, to the Collector of Malabar, dated Calicut, 13th September 1877, No. 29.

The Officiating District Judge having expressed his desire to remove the Kutnad Munsif's Court to the building lately occupied by the Deputy Collector at Ponany and vacated by him, I have the honor to request that you will be good enough to inform me with reference to G.O., No. 157 W, Public Works Department, dated 29th May 1877, whether you have any objection to the transfer.

From the Collector, to the District Engineer, Malabar, dated Calicut, 1st October 1877, No. 1,461.

In reply to your letter No. 29, dated 13th ultimo, I have the honor to inform you that I have no objection to the transfer of the building to the Judicial Department as a temporary arrangement. It will likely be again required by the Revenue Department and the District Munsif must then vacate it.

From Lieutenant-Colonel R. B. KENNEDY, District Engineer, Malabar, to the Officiating District Judge, South Malabar, dated Camp at Luckadie, 12th October 1877, No. 175.

With reference to your letter No. 238, dated 11th August last, I have the honor to state that the Collector to whose department the Deputy Collector's Cutcherry at Ponany belongs does

not object to the transfer of the building to the Judicial Department as a temporary arrangement, but it will likely be again required for the use of the Revenue Department, when the District Munsif must vacate it.

2. I enclose copy of Collector's letter to my address and will be obliged by your informing me whether you wish for the transfer on the above understanding; it seems to be scarcely worthwhile.

From H. WIGRAM, Esq., Officiating District Judge, South Malabar, to the District Engineer Malabar, dated Calicut, 22nd October 1877, No. 342.

As the Collector informs me that the Ponary Cutcherry is not likely to be required by his department for at least a year, I have the honor with reference to your letter, dated 11th October 1877, No. 175, to request that you will take the necessary steps to have it handed over to the Judicial Department for the use of the District Munsif.
