MADRAS RECORD OFFICE.

Government of Madras.

Public Works **DEPARTMENT.**

G.O. No. 1446	(14)	Press Mis.
Dated 27-4-	1877	.

Not to be folded or roughly handled

*Proceedings of the Madras Government, Public Works Department,
27th April 1877. No. 1,446.*

No. 653. Read the following letter from Major B. HOBART, Military Secretary to His Grace the Governor, to the Secretary to Government, Public Works Department, dated Madras, 20th April 1877, No. 20:—

I HAVE the honor, by order, to request that the sanction of Government may be obtained for the supply of a fire engine to be stationed at Government House, Madras.

The engine is required as a preparation against fire, and for general house purposes.

In G.O., dated 3rd September 1874, No. 2,501, Public Works Department, the necessity for the location of a fire engine at Guindy was recognized, and orders passed for the supply of one, and I am to point out that the same, if not a stronger, necessity exists for the supply of one at Government House, Madras.

The engine will be worked when required by the servants of Government House, and it will be sufficient if a man is sent from the Ordnance Department once a week to see that it is in proper order. It should further be inspected and reported on monthly by the Superintendent of Fire Engines, Grand Arsenal.

No. 654. ORDER THEREON, 27th April 1877, No. 1,446.

ACCOUNT, No. 24.

COMMUNICATED to the Military Department in order that the Inspector-General of Ordnance be directed to supply the fire

engine required for Government House, Madras.

2. The District Engineer will report if there was an engine at Government House formerly, and if so, what has become of it.

(True Extract.)

Colonel, R.E.,
Secretary to Government, P.W.D.

To the Military Department.
„ District Engineer, Presidency.
