*Proceedings of the Madras Government, Public Works Department,
17th January 1877. No. 144.*

No. 280. Read the following letter from A. B. SAMPSON, Esq., Under Secretary to the Government of India, Public Works Department, (Establishment—Account,) to Major-General G. W. WALKER, R.E., Secretary to the Government of Madras, Public Works Department, dated Fort William, 9th January 1877, No. 3 E.A.:—

I AM directed to acknowledge the receipt of your letter, No. 2,410, dated 9th September 1876, submitting for orders the question as to the date from which the annual increments granted to the two Senior Accountants of the Examiner's Office are to be drawn.

2. In reply, I am to point out that the Accountants in question accepted service in 1872 on fixed rates of pay, viz., Rupees 160 and 100 respectively. In December 1875 they were placed on progressive scales of pay by which they can rise by annual increments to Rupees 240 and 150 respectively. This in itself is a great advantage, and there is no reason why they should be exceptionally treated and be allowed the further advantage of counting towards the increments the service rendered by them when they were on fixed pay.

3. The Government of India regrets its inability to accede to the recommendations made by the Government of Madras.
