Read the following papers:—

No. 44. From Captain A. G. BEGBIE, R.E., Officiating Examiner of Public Works Accounts, to the Secretary to Government, Public Works Department, Buildings and Roads Branch, dated Fort St. George, 12th October 1877, No. 32 B.

I HAVE the honor to enclose a completion certificate and a memorandum received from the Superintendent of Police, Godavery, with his letter, No. 276, dated 27th September 1877, for your information, and shall feel obliged by your informing me if, under the circumstances stated in the memorandum, the completion certificate may be accepted.

No. 3,296.

REFERRED to the Inspector-General of Police for remarks. The deviations appear to be of a radical character. The circumstances under which they were made are not stated.

have the honor to report that the deviations alluded to are such as cannot be corrected to adapt the buildings to the sanctioned standard without entire reconstruction and much extra expenditure. They were the result of ignorance of the men who undertook the work. Ragapoor is a very out-of-the-way locality where contractors can hardly be got, and difficulties are therefore numerous. The Inspector in charge of this work having fallen ill, it necessarily passed into the hands of others who appear to have failed to seek and obtain local advice. The unsatisfactory workmanship is also to be attributed partly to the low estimate prepared by a non-professional departmental officer for that description of huts and to the change of supervision.

2. The huts as they stand are, I believe, worth the expenditure already incurred notwithstanding the deviations, and may be used by the Police at this place for years.

3. This transaction occurred before the date of G.O., No. 1,463, of 12th June 1876, Public Works Department, paragraph 2, and instructions have since been

issued to prevent recurrence of such irregularities. Under these circumstances, and with reference to orders communicated in G.O., No. 541, dated 13th May 1874, Public Department, about bills for completed works, as well as to G.O., No. 609, dated 2nd June 1874, Public Department, about completion certificates, I beg to recommend that the expenditure of Rupees 1,100 on the Ragapoor huts be passed to enable the Examiner of Public Works Accounts to effect adjustment of this long outstanding item.

No. 45. ORDER THEREON, 5th November 1877, No. 1,453 W.

UNDER the circumstances explained by the Inspector-General of Police, the Examiner is authorized to accept the completion certificate submitted.
