Read the following paper :—

No. 70. From Colonel C. S. HEARN, Inspector-General of Police, to the Secretary to Government, Public Works Department, dated Madras, 9th October 1877, No. 4,509.

I HAVE the honor to forward for sanction the accompanying rough plan and estimate, amounting to Rupees 165, for the reconstruction, by departmental arrangement, of the Kadaladi Police Station-house in the North Arcot District during 1878-79.

2. The necessary provision of Rupees 165 has to be made during 1878-79.

3. A sum of Rupees 60 for this work was sanctioned in G.O., No. 2,113, dated 15th August 1876, Public Works Department, but it was not carried out in 1876-77 in consequence of the Inspector in charge being obliged to give all his attention to more emergent duty. No contractor could be found to undertake the work. The Superintendent of Police reports that the present increased expenditure is required to render the building stronger and more durable, it having much deteriorated in the interval.

4. A specification report will be submitted, if necessary, on its receipt from the district.

No. 71. ORDER THEREON, 8th November 1877, No. 1,541 W.

THE plan and estimate of Rupees 165 for the reconstruction, by departmental arrangement, of the Police Station of Kadaladi in the North Arcot District are sanctioned, funds being provided as pointed out by the Inspector-General. It is remarked that no basement is provided for the building, it is desirable that this very necessary and inexpensive addition should not be lost sight of when reconstructing the building.

2. This sanction has been registered as Provincial No. 209 B of 1877-78.
