*Proceedings of the Madras Government, Public Works Department,
18th January 1877. No. 154.*

No. 300. Read the following letter from Major J. VERTUE, R.E., District Engineer, Trichinopoly, to Major-General G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Trichinopoly, 10th January 1877, No. 824 :—

I HAVE the honor to report that when (16th September 1876) Assistant Engineer H. E. G. Evans was appointed to the charge of works in the Kulitallay taluq, Taluq Overseer's Writer Vissuvasum Pillay was appointed to his establishment on a salary of Rupees 22 as laid down in G.O., No. 650, of 13th March 1876.

2. From G.O., No. 3,301, of 19th November 1875, I was led to believe that Mr. Evans would eventually have charge of the Kulitallay Sub-division, and considering therefore the post of writer as aforementioned permanent, I filled up the vacancy created by the appointment of the same.

3. This arrangement has been upset by the transfer (temporary) of Mr. Evans to the charge of the Woodiarpollum Range, consequent on the translation of Sub-Engineer Syed Yusuf to the Bellary District. The retention of Mr. Evans in his present charge must of necessity be temporary, as there is no bungalow of any kind in the taluq in which he can reside, nor is there even a range office.

4. I have now to ask that Government would authorize the Examiner to pass the pay of the writer appointed to Mr. Evans' establishment, as otherwise this man is thrown out of employ and may have to suffer the consequences entailed by a break in his service, which would be a very great hardship.

No. 301. ORDER THEREON, 18th January 1877, No. 154.

ESTABLISHMENT, No. 19.

THE District Engineer acted unauthorizedly in considering an appointment to be permanent which in the order creating it (No. 650 of 13th March 1876) was distinctly declared to be temporary. Overseer's Writer Vissuvasum Pillay retained a lien on his permanent appointment, to which he will revert. But such excess salaries as may have been drawn up to date may be passed by the Examiner.
