GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

8th November 1877, No. 1,553 W.

General Establishment.

Read the following paper:—

No. 76. From Major ROSS THOMPSON, R.E., District Engineer, Presidency, to the Chief Engineer, Public Works Department, dated Fort St. George, 31st October 1877, No. 4,322.

In my letter, No. 3,935, of 16th October 1877, I reported having placed Mr. Overseer Stewart in charge of the Lime Kilns.

2. I have the honor to request that his name, or the name of any other Overseer whom it may be necessary to appoint to charge of the Lime Kilns, may be retained on the permanent list of the Public Works Department, although his pay is charged against the profits of the Lime Kilns.

3. As the monthly profits on this establishment range from Rupees 500 upwards, it is necessary to have good and trustworthy men in charge, but few such would accept the post if it involved loss of standing and promotion in the Public Works Department.

No. 77. ORDER THEREON, 8th November 1877, No. 1,553 W.

THE District Engineer's proposal is sanctioned. The Overseer in charge of the Lime Kilns will, therefore, be borne on the permanent strength of the department as a *supernumerary* in his grade, his pay being charged to the Kilns.
