*Proceedings of the Madras Government, Public Works Department,
18th January 1877. No. 157.*

No. 306. Read the following endorsement of the District Engineer, Salem, dated Salem, 6th January 1877, No. 133 S.L. :—

From W. C. S. WEST, Esq., Executive Officer in charge of Tripatur Range, to Major P. MONTGOMERIE, R.E., District Engineer, Salem, dated Tripatur, 8th December 1876, No. 1,050.

WITH reference to your No. 1,229, dated 30th March last, I have the honor to report that I have not been able to procure a suitable building for the use of the Tripatur Range Office; but, as Mr. Lowe is about to leave the station, he proposes renting his bungalow at Rupees 15 per mensem. I therefore beg I may be permitted to take it up, and request you will be pleased to ask Government to sanction Rupees 15 instead of Rupees 10 sanctioned in G.O., No. 1,486, dated 28th May 1875.

2. Mr. Lowe's bungalow is a semi-permanent substantial tiled building lately built; the accommodation is two spacious rooms, a bath-room, and a small verandah. This accommodation would be a very great improvement to the present ill-ventilated Chuttrum occupied by the Range Office and which the Collector wishes should be vacated.

SUBMITTED to the Secretary to Government with a recommendation that Government will be pleased to sanction the rent of Rupees 15 now asked for till the erection of a temporary Range Office for which an estimate will be submitted shortly—*Vide* Chief Engineer's memorandum, No. T-20, of 14th April 1876. The Collector urges to vacate the Soldiers' Shed now occupied by the Range Office for the use of travellers.

(Signed) P. MONTGOMERIE, Major, R.E.,
District Engineer of Salem.
