Account.

Read the following paper :—

No. 143. From Lieutenant-Colonel H. L. PRENDERGAST, R.E., District Engineer, North Arcot, to the Chief Engineer, Public Works Department, dated Vellore, 9th November 1877, No. 2,795.

WITH reference to G.O. No. 1,289 W of the 27th October 1877, 'I have the honor to report that I have been waiting for a long time to obtain local funds for the adjustment of Rupees 2,728, the value of tools supplied to the Vellore and Polur Ranges.

2. The Board of Revenue, in their Proceedings No. 342 of the 29th January 1877, recommend the appropriation of funds from the General Fund of the Vellore Circle, but nothing has been heard of the result of this recommendation.

3. The Local Board are now making a revised budget for the current year, and as unexpended portions of road maintenance grants have necessarily to be surrendered, I have suggested to the Local Board that authority should be obtained for the settlement of the workshops demand, by the amount being taken from the total sum about to be surrendered.
